MEMORANDUM FOR: All Research & Engineering Project Officers  
SUBJECT : Memorandum Requests for Solicitation of Proposals

In order to expedite matters, it has been requested by SC&PS that the name of the project monitor be included in RED's memorandum requests to SC&PS for solicitation of proposals. It would be extremely helpful to SC&PS to have this information because it is frequently necessary for the Contracting Officer to discuss matters of significance with the project monitor preparatory to drafting the Request for Proposals.
